Toxicity

System Of A Down

Conversion, software version 7.0

Looking at life through the eyes of a tired hubEating seeds as a pastime activity

The toxicity of our city, our city

You, what do you own the world?

How do you own disorder, disorder

Now somewhere between the sacred silence

Sacred silence and sleep

Somewhere, between the sacred silence and sleep

Disorder, disorder

More wood for the fires, loud neighborsFlashlight reveries caught in the headlights of a truck

Eating seeds as a pastime activity

The toxicity of our city, of our city

Now, what do you own the world?

How do you own disorder, disorder

Now somewhere between the sacred silence

Sacred silence and sleepSomewhere between the sacred silence and sleep

Disorder, disorder

Now, what do you own the world?

How do you own disorder, disorder

Now somewhere between the sacred silence

Sacred silence and sleep

Somewhere, between the sacred silence and sleep

Disorder, disorder

When I became the sun

I shone life into the man's hearts

When I became the sun

I shone life into the man's hearts
