## MadeinTYO

Oh, hey, ohShe want the time of her life  
I dick her down in one night  
She grab my dick like a mic  
I had to double on my breaks  
She want the time of her life  
I dick her down in one night  
She grab my dick like a mic  
I had to double on my breaks  
Young nigga started off  
Young nigga started off  
We don't give a fuck  
Oh, really got broads in Atlanta  
She goin' young with a Fanta, oh

Um, yah, I need my cash right there  
Yah, I need my cash right there  
She want the time of her life

She grab my dick like a mic  
I had to double on my breaks  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh

Good gas, good gas, yeah I smoke it by myself

And your attitudes change when your pockets gettin' fat

I dick her down in one night  
She grab my dick like a mic
