Heaven Knows (feat. Brooklyn Dreams)

Donna Summer

Baby please
Please don't take your love from me
I am yours forever more
Until eternitySilently
Listen to the words I say
Well I'm not talking just for play
Listen to me, pleaseHeaven knows
It's not the way it should be
And heaven knows
It's not the way it could be
Don't you know there's no need to leave

Heaven knows

I never wanna leave you

Heaven knows

I only wanna please you

Don't you know love is what I needDown inside

Don't get caught with foolish pride

Put all the other things aside

There's only you and meBelieve in us

We were always meant to be

Me for you and you for me

Until eternityHeaven knows

It's not the way it should be

And heaven knows

It's not the way it could be

And don't you know there's no need to leave

Heaven knows

I never wanna leave you

Heaven knows

I only wanna please you

Don't you know love is what I needHeaven knows

It's not the way it should be

And heaven knows

It's not the way it could be

And don't you know there's no need to leaveHeaven knows

I only wanna love you

And heaven knows

I never wanna lose you

Don't you know love is meant to beHeaven knows

It's not the way it should be

And it's no use now

So stop with the pretending

So come on child and hear me when I cry Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
