Farewell Ride

Beck

Two white horses in a line, two white horses in a line,
Two white horses in a line carrying me to my burying ground. Some need diamonds, some need
love.

Some need cards, some need luck, Some need dollar bills lining their clothes.

All I need is, all I need is...Two white horses in a line, two white horses in a line, Two white horses in a line taking me for my farewell ride. Some may say this might be your last farewell ride...

Some may say this might be your last farewell ride...I don't see the face of kindness and I don't hear the mission bells,

I don't smell the morning roses, all I see is...
All I see is...Two white horses in a line, two white horses in a line,
Two white horses in a line carrying me to my burying ground.
Some may say this might be your last farewell ride...
Some may say this might be your last farewell ride...
