

# Back for Good

## Take That

I guess now it's time for me to give up, I feel it's time  
Got a picture of you beside me  
Got your lipstick mark still on your coffee cup, oh yeahGot a fist of pure emotion  
Got a head of shattered dreams  
Gotta leave it, gotta leave it all behind nowWhatever I said, whatever I did  
I didn't mean it  
I just want you back for good  
Want you back, want you back  
I want you back for goodWhenever I'm wrong  
Just tell me the song and I'll sing it  
You'll be right and understood  
Want you back, want you back  
I want you back for good  
Unaware but underlined  
I figured out this story, it wasn't good  
But in the corner of my mind I celebrated glory  
But that was not to be  
In the twist of separationYou excelled at being free  
Can't you find a little room inside for me  
Whatever I said, whatever I didI didn't mean it  
I just want you back for good  
Want you back, want you back  
I want you back for good  
Whenever I'm wrongJust tell me the song and I'll sing it  
You'll be right and understood  
Want you back, want you back  
I want you back for good  
And we'll be together, this time is forever  
We'll be fighting and forever we will be  
So complete in our love  
We will never be uncovered again  
Whatever I said, whatever I didI didn't mean it  
I just want you back for good  
Want you back, want you back  
I want you back for good  
Whenever I'm wrongJust tell me the song and I'll sing it  
You'll be right and understood  
Want you back, want you back  
I want you back for good  
Whatever I said, whatever I didI didn't mean it  
I just want you back for good  
Want you back, want you back

I want you back for good  
Whenever I'm wrong  
Just tell me the song and I'll sing it  
You'll be right and understood  
Want you back, want you back  
I want you back for good  
Oh yeah  
I guess now it's time  
That you came back for good
