Back for Good

Take That

I guess now it's time for me to give up, I feel it's time
Got a picture of you beside me
Got your lipstick mark still on your coffee cup, oh yeahGot a fist of pure emotion
Got a head of shattered dreams
Gotta leave it, gotta leave it all behind nowWhatever I said, whatever I did

I didn't mean it

I just want you back for good

Want you back, want you back

I want you back for goodWhenever I'm wrong

Just tell me the song and I'll sing it

You'll be right and understood

Want you back, want you back

I want you back for good

Unaware but underlined

I figured out this story, it wasn't good

But in the corner of my mind I celebrated glory

But that was not to be

In the twist of separationYou excelled at being free

Can't you find a little room inside for me

Whatever I said, whatever I didI didn't mean it

I just want you back for good

Want you back, want you back

I want you back for good

Whenever I'm wrongJust tell me the song and I'll sing it

You'll be right and understood

Want you back, want you back

I want you back for good

And we'll be together, this time is forever

We'll be fighting and forever we will be

So complete in our love

We will never be uncovered again

Whatever I said, whatever I didI didn't mean it

I just want you back for good

Want you back, want you back

I want you back for good

Whenever I'm wrongJust tell me the song and I'll sing it

You'll be right and understood

Want you back, want you back

I want you back for good

Whatever I said, whatever I didI didn't mean it

I just want you back for good

Want you back, want you back

I want you back for good
Whenever I'm wrong
Just tell me the song and I'll sing it
You'll be right and understood
Want you back, want you back
I want you back for good
Oh yeah
I guess now it's time
That you came back for good
