## Queen

Is this the real life, is this just fantasy?  
Caught in a landslide no escape from reality  
Open your eyes look up to the skies and see  
I'm just a poor boy, I need no sympathy Because I'm easy come, easy go  
A little high, little low  
Anyway the wind blows  
Doesn't really matter to me, to me Mama, just killed a man  
Put a gun against his head  
Pulled my trigger, now he's dead  
Mama, life had just begun  
But now I've gone and thrown it all away  
Mama, ooh, ooh  
Didn't mean to make you cry  
If I'm not back again this time tomorrow  
Carry on, carry on as if nothing really matters Too late, my time has come  
Sends shivers down my spine  
Body's aching all the time  
Goodbye everybody, I've got to go Gotta leave you all behind and face the truth  
Mama, ooh (anyway the wind blows) I don't want to die  
I sometimes wish I'd never been born at all I see a little silhouette of a man  
Scaramouch, scaramouch will you do the fandango  
Thunderbolt and lightning, very, very frightening me  
Gallileo, Gallileo, Gallileo, Gallileo,  
Gallileo Figaro magnifico  
But I'm just a poor boy and nobody loves me  
He's just a poor boy from a poor family  
Spare him his life from this monstrosity  
Easy come easy go will you let me go Bismillah, no we will not let you go, let him go  
Bismillah, we will not let you go, let him go  
Bismillah, we will not let you go, let me go Will not let you go, let me go (never)  
Never let you go, let me go  
Never let me go, ooh  
No, no, no, no, no, no, no Oh mama mia, mama mia, mama mia let me go  
Beelzebub has a devil put aside for me  
For me, for me So you think you can stone me and spit in my eye  
So you think you can love me and leave me to die  
Oh baby, can't do this to me baby  
Just gotta get out, just gotta get right outta here Ooh yeah, ooh yeah nothing really matters  
Anyone can see nothing really matters  
Nothing really matters to me  
Anyway the wind blows
