

# Thoughts

Sasha Sloan

## Thoughts

Sometimes, I just can't control my thoughts  
No medication's ever made them stop All I think about is everything I'm not  
Instead of everything I got 'Cause I'm scared they're all laughin', so I make the joke first  
If I beat 'em to the punchline, then I can't get hurt  
Yeah, I swear to God I'm tryin', but I don't know how to be  
How to be a good friend to me  
'Cause sometimes I just feel like I'm a freak  
When I wake up, I just don't like what I see  
All the way from my head right down to my feet  
I wish that I thought differently But I'm scared they're all laughin', so I make the joke first  
If I beat 'em to the punchline, then I can't get hurt  
Yeah, I swear to God I'm tryin', but I don't know how to be  
How to be a good friend to me Ooh, ooh  
Ooh, ooh Change  
Wonder if I'll ever really change, mmm 'Cause I'm scared they're all laughin', so I make the joke  
first  
If I beat 'em to the punchline, then I can't get hurt  
Yeah, I swear to God I'm tryin', but I don't know how to be  
How to be a good friend to...  
The voice inside my head that's tellin' me I'm okay  
Entertain it for a second, then I push it away  
Yeah, I swear to God I'm tryin', but I don't know how to be  
How to be a good friend to me Thoughts  
Sometimes, I just can't control my thoughts
