Fetty Wap

Zoovier, 1738I wake up in the morning, all I think is flippin'
Count a couple hundreds, flip a couple bricks
Time to hit the plug now, need another flip
Counting all this money, got me filthy richI wake up in the morning, all I think is flippin'
Count a couple hundreds, flip a couple bricks
Time to hit the plug now, need another flipCounting all this money, got me filthy rich.Baby

Maybe that's the trap luv
And all my niggas trap drugs
Zoo Gang we some trap lords
I wake up in the morning, all I think is flippin'
Count a couple hundreds, flip a couple bricks

And all my niggas trap drugs
Zoo Gang we some trap lords
I wake up in the morning, all I think is flippin'
Count a couple hundreds, flip a couple bricks
Time to hit the plug now, need another flip
Counting all this money, got me feeling rich
