

Candy Man

Roy Orbison

Come on, baby, let me take you by the hand
Come on, sugar, let me take you by the hand
Go for me, let me be
All your own candy, your candy, candy man Yeah, come on, baby, I love your honey lovin' ways
Baby sweet thing, I love your honey lovin', your honey lovin' ways
Come to me, let me be
All your own candy, your candy, candy man Come on woman, gonna treat you right
Give you candy kisses every single night Candy man, candy man, candy man, candy man Go for
me let me be
All your own candy, your candy, candy man
Candy, candy, candy
I got a treat
All your own candy, your candy, candy man
