

# I Don't Care Where You Live

## The Charlatans

Here I stand at the foot of the window  
Oh! please I can help you fill the hole  
All my life I depend on opinion  
You have solid soul I don't care where you live  
I don't care where you live  
For today, I started loving you again  
Here I stand at the foot of the window  
Oh please I don't care where you live  
Tell me why, and please be kind  
My only companion  
I don't care where you live  
I don't care where you live  
I will follow you  
Wherever you  
Wish to be  
I will follow you, wherever you  
I will follow you, wherever you  
I will follow you, wherever you  
Wait with me  
As our love is for keeping  
Lord I can help you fill the hole  
My my my your daddy cares  
He's just not here today  
It goes on I don't care where you live  
I don't care where you live  
For today, I started loving you again
