

Muddy Waters

LP

We are kneeling at the rivers edge and tempting
All the steps to follow closer right behind
Is it only when you feel a part is empty That it's gnawing at the corners of your mind I will ask
you for mercy
I will come to you blind
What you'll see is the worst me
Not the last of my kind Oh, in the muddy water we're falling
Oh, in the muddy water we're crawling Holds me down, hold me now, sold me out
In the muddy waters we're falling
It is not clear why we choose the fire pathway
Where we end is not the way that we had planned
All the spirits gather 'round like its our last day
To get across, you know, we'll have to raise the sand Oh, I will ask you for mercy
I will come to you blind
What you'll see is the worst me
I'm not the last of my kind Oh, in the muddy water we're falling
Oh, in the muddy water we're crawling Holds me down, hold me now, sold me out
In the muddy waters we're falling Oh, don't fail me now
Put your arms around me and pull me out
Oh, I know I'm found
With your arms around me, oh, save me now
Oh, in the muddy water we're falling
Oh, in the muddy water we're crawling Holds me down, hold me now, sold me out
In the muddy water we're falling
