## Immortal

When I was little. I used to walk across the streets with my eyes closed to see if God existed, and I never got hitI danced along the edges of the rooftop, to see if I would fall and I never didAnd for a moment, I feel immortal and I am not scared, I am not scared I feel immortal 'Cause I know you were there, I know you are there E-eh, e-eh, e-eh, e-eh, e-eh No one around me, believed in anything, So how could I expect them to believe and trust a girl?I cried myself to sleep inside my bedroom, and swear I'd never let them crush my world And for a moment, I feel immortal. And I am not scared, I am not scared And I feel immortal, 'Cause I know you were there I know you are there E-eh, e-eh, e-eh OoohI felt like a flower. trying to grow from the pavement And they would walk all over me I felt like a snowflake, In the middle of the desert, wishing I'd melt, so I could be freeAnd I feel immortal, I am not scared, no, I am not scared And I feel immortal, 'Cause I know you were there, I know you are there Eh-eh x11I am not scared
