## It's You

## Ali Gatie

[Chorus] It's you, it's always you If I'm ever gonna fall in love I know it's gonna be you It's you, it's always you Met a lot of people but nobody feels like you So please don't break my heart Don't tear me apart I know how it starts, trust me I've been broken before Don't break me again, I am delicate Please don't break my heart Trust me I've been broken before [Verse 1] I've been broken yeah I know how it feels To be open and know that your love isn't real I'm still hurting yeah I'm hurting inside I'm so scared to love but if it's for you then I will try[Chorus] It's you, it's always you If I'm ever gonna fall in love I know it's gonna be you It's you, it's always you Met a lot of people but nobody feels like you So please don't break my heart Don't tear me apart I know how it starts, trust me I've been broken before Don't break me again, I am delicate Please don't break my heart Trust me I've been broken before [Verse 2] I know I'm not the best at choosing lovers We both know my past speaks for itself If you don't think that we're right for each other Please don't let history repeat itself Cause I want you yeah, I want you yeah There's nothing else I want I want you, yeah I want you yeah But I don't wanna lose my heart[Chorus] It's you, it's always you If I'm ever gonna fall in love I know it's gonna be you It's you, it's always you Met a lot of people but nobody feels like you So please don't break my heart Don't tear me apart I know how it starts, trust me I've been broken again
