

Too Bad

The Dead Weather

Hey

Hey

Hey

Hey I know where the body is
I know why the branches twist
And when the well is getting low
How it came to be so I'm going back, yeah

I'm going back

I'm going back to bed, baby

It's just too too too too bad

I know how the story ends

I know who dies, I know who lives

I know both passing ships

And how it feels to really miss, so I'm going back, yeah

I'm going back

I'm going back to bed baby

It's just too too too too too bad I know the girl next door

Yeah, I know the dress she wore

She took the bait, huh, she took the call

Oh I know I've heard it all, so I'm going back, yeah

I'm going back

I'm going back to bed, baby

It's too too too too too bad

Hey

Hey

Hey

Hey

Hey

Hey

Hey I'm going back, yeah

I'm going back

I'm going back to bed, baby

It's too too too too too bad
