## Bobby Brown

Truth about Roni she's a sweet little girl  
You can treat her right real nice and hold her tight  
Only tender Ronis can give the special love  
A special kind of love that makes you feel good inside  
You believe in love and all that it can do for you  
Give it a chance girl you'll find romance  
And if you find a tender Roni that is right for you  
Make it official  
Give her your love... (love...)  
(my heart) Ooh  
(belongs to a Roni)  
She's my only love  
(she's my only love...)  
My only heart baby  
(my heart) Yeah  
(belongs to a Roni)  
She's my only love  
(she's my only love...)

The truth about Roni she's always on the phone  
Talkin' to her homeboy wishin' they were home alone ooh  
She sends you lovely letters with the smell of sweet perfume  
This is what a real tender Roni likes to do for you  
And if you believe in love and all that it can do for you  
Give it a chance girl you'll find romance  
And if you find a tender Roni that is right for you  
Make it official  
Give her your love... ooh yeah  
(my heart belongs to a Roni)  
She's my only love  
(she's my only love...)  
My only heart  
(my heart belongs to a Roni)  
She's my only love  
(she's my only love...)

The truth about Roni she's a sweet old girl  
About the sweetest little girl in the whole wide world  
She'll make the toughest homeboy fall deep in love  
Said once you had a Roni you will never give her up  
She's a special kind of girl that makes her daddy feel proud  
You know the kinda girl that stands out in crowds  
Found a tender Roni and the Roni is so right  
I think I'm gonna love her for the rest of my life

If you believe in love and all that it can do for you  
And if you find a tender Roni that is right for you  
Make it official

Give her your love... ooh yeah...

(my heart belongs to a Roni)

She's my only lover

(she's my only love...)

My only heart

(my heart belongs to a Roni)

She's my only love

(she's my only love...)

About the sweetest little girl in the whole wide world  
She'll make the toughest homeboy fall deep in love  
Said once you had a Roni you never give her up

You know the kinda girl that stands out in crowds  
Found a tender Roni and the Roni is so right
