

# Like Em Young

Tove Lo

Hey boy, you're too young for me but  
I don't care 'cause you are all I see  
I like 'em young  
I-I like 'em young Eyes wide oh, you're so naive  
Thinkin' no one knows better than me  
I like 'em young  
I-I like 'em young People make me wonder  
Age is just a number  
That's they don't think about  
That's all I think about I like 'em young (Hey)  
I like 'em young (Hey)  
I like 'em young (Hey)  
Young like me with a mind so easy  
I like 'em young (Hey)  
I like 'em young (Hey)  
I like 'em young (Hey)  
Young like me with a mind so easy I like 'em!  
Hey girl, why you're judging me when your  
Your guy is turning 53  
I like 'em young I-I like 'em young  
No- I don't know what really gets you more  
Is it that my guy is gonna live out yours?  
I like 'em young I-I like 'em young  
They say they don't give but I  
I can tell they're lying  
'Cause we are slowly dying  
Tryna work it out  
And all I think about...  
I like 'em young (Hey)  
I like 'em young (Hey)  
I like 'em young (Hey) Young like me with a mind so easy  
I like 'em young (Hey)  
I like 'em young (Hey)  
I like 'em young (Hey)  
Young like me with a mind so easy I like 'em  
Life! I live mine  
Love! Not one kind  
All is fare in love and war  
My manners out the door  
Why do I need them for?  
I like 'em young (Hey)  
I like 'em young (Hey)

I like 'em young (Hey)  
Young like me with a mind so easy  
I like 'em young (Hey)  
I like 'em young (Hey)  
I like 'em young (Hey)  
Young like me with a mind so easy  
I like 'em young!
