

# Austere

## The Joy Formidable

See the medal reverse  
This hope is not lost  
It's mischief to turn  
Your ship to send off And gowns  
We'll ransack this town  
I'd rescue here and now  
In velvet you'll drown  
Oh, austere  
Lay by my side  
You've been left here  
So don't make a sound  
Keep your word  
Don't let me down  
Just  
Destroy me now  
Destroy me now
