## Crystalised

## The xx

You've applied the pressure To have me crystalised And you've got the faith That I could bring paradiseI'll forgive and forget Before I'm paralyzed Do I have to keep up the pace To keep you satisfiedThings have gotten closer to the sun And I've done things in small doses So don't think that I'm pushing you away When you're the one that I've kept closestAhh, ahh, ahh Ahh, ahh, ahh Ahh, ahh, ahh Ahh, ahh, ahh You don't move slow Taking steps in my directions The sound resounds, echo Does it lesson your affection NoYou say I'm foolish For pushing this aside But burn down our home I won't leave aliveGlaciers melted to the sea I wish the tide would take me over I've been down on my knees And you just keep on getting closerAhh, ahh, ahh Ahh, ahh, ahh Ahh, ahh, ahh Ahh, ahh, ahh Glaciers melted to the sea (Things have gotten closer to the sun) I wish the tide would take me over (And I've done things in small doses) I've been down onto my knees (So don't think that I'm pushing you away) And you just keep on getting closer (When you're the one that I've kept closest)Go Slow Go Slow Go Slow
