

To Love Somebody

Nina Simone

TO LOVE SOMEBODY

(1967) robin gibb, barry gibb There's a light

A certain kind of light

It's never shown on me

I want my whole life to be

Lived with you

Lived with you There's a way

Everybody say

Do each and every little thing

What good does it bring

If I ain't got you If I ain't got you

If I ain't got you If I ain't got you

You don't know

What it's like

Baby you don't know

What it's like

To love somebody

To love somebody

The way I love you In my brain

See your face again

I know my frame of mind

You ain't got to be so blind

And I'm blind so blind

But I'm a woman

Can't you see what I am

I live and breathe for you

What good does it do

If I ain't got you If I ain't got you

If I ain't got you If I ain't got you Say you don't know

What it's like

Baby you don't know what it's like

To love somebody

To love somebody

The way I love you Oh'a, you don't know

What it's like

Baby you don't know

What it's like

To love somebody

To love somebody

The way I love you
