

# Say So (feat. Nicki Minaj)

## Doja Cat

Day to night to morning, keep with me in the moment  
I'd let you had I known it, why don't you say so?  
Didn't even notice, no punches left to roll with  
You got to keep me focused. You want it? Say so  
Day to night to morning, keep with me in the moment  
I'd let you had I known it, why don't you say so?  
Didn't even notice, no punches left to roll with  
You got to keep me focused. You want it? Say so  
It's been a long time since you fell in love  
You ain't coming out your shell, you ain't really been yourself  
Tell me, what must I do to tell my love?  
'Cause luckily I'm good at reading  
I wouldn't fuck him, but he won't stop chasin'  
And we can dance all day around it  
If you front, then I'll be bouncing  
If you want it, scream and shout it, babe  
Before I leave you dry  
Day to night to morning, keep with me in the moment  
I'd let you had I known it, why don't you say so?  
Didn't even notice, no punches left to roll with  
You got to keep me focused. You want it? Say so  
Day to night to morning, keep with me in the moment  
I'd let you had I known it, why don't you say so?  
Didn't even notice, no punches left to roll with  
You got to keep me focused. You want it? Say so (Yeah)  
Let me check my chest, my breath  
right quick (Ha)  
He ain't never seen it in a dress like this (Ah)  
He ain't never even been impressed like this  
Proly why I got him quiet on the set like zip  
Like it, love it, need it, bad  
Take it, own it, steal it, fast  
Boy, stop playing, grab my ass  
Why you actin' like you shy?  
Shut it, save it, keep it, push  
Why you beating 'round the bush?  
Knowing you want all this woman  
Never knock it 'til you try (Yah, yah)  
All of them bitches hating I have you with me  
All of my niggas saying you mad committed  
Realer than anybody you had, and pretty  
All of that body I need ass and titties  
Day to night to morning, keep with me in the moment  
I'd let you had I known it, why don't you say so?

Didn't even notice, no punches left to roll with  
You got to keep me focused. You want it? Say so  
Day to night to morning, keep with me in the moment  
I'd let you had I known it, why don't you say so?  
Didn't even notice, no punches left to roll with  
You got to keep me focused. You want it? Say so
