Hate Street Dialogue (feat. Rodriguez)

The Avener

Woman please be gone You've stayed here much too long Don't you wish that you could cry? Don't you wish I would die?Seamy, seesaw kids Childwoman on the skids The dust will choke you blind The lust will choke your mindI kiss the floor, one kick no more The pig and hose have set me free I've tasted hate street's hanging tree I've tasted hate street's hanging treeI kiss the floor, one kick no more The pig and hose have set me free I've tasted hate street's hanging tree I've tasted hate street's hanging tree I kiss the floor, one kick no more The pig and hose have set me free I've tasted hate street's hanging tree I've tasted hate street's hanging tree I've tasted hate street's hanging tree
