

# Tomorrow Never Knows

## Our Lady Peace

Listen to the color of your dreams  
Turn off you mind, relax and flow downstream  
And it's not dying, then it's not dying  
Lay down all thoughts, surrender to the void  
And it is shining, it is shining  
That you may see the meaning of within  
Well, it is being, it is being now  
Love is all and love is everyone  
And it is knowing but it is knowing  
Let ignorance and hate mingle with the dead  
It is believing, it is believing  
Oh, play the game, existence to the end  
End of the beginning, end of the beginning  
End of the beginning, beginning  
Turn off you mind, relax and flow downstream  
It is not dying, it is not dying  
Play the game, existence to the end  
End of the beginning, end of the beginning  
End of the beginning, end of the beginning  
Lay down all thoughts, surrender to the void  
End of the beginning  
the beginning  
End of the beginning  
End of the beginning  
Of the beginning  
Of the beginning  
Of the beginning
