

Bad

Big Audio Dynamite

(Go ahead London)Bad laugh?, Bad language
Bad news, BadWhen I'm at home
My woman won't leave me alone
And that's bad
So badSo I walked out of the door
And it seemed worse than before
And that's bad
So badAnd the thought occurred to me
How come that everything you see
Is so bad
So bad
But before I realised it
Hit by a truck and paralyzed
And that's bad
So badA golden opportunity
Claim my insurance polucy
Hmmmmm...
So badThese are the things that drive me crazy
(Crazy, crazy, crazy)
These are the things that make me bad
(Go ahead London)
(Crazy)Watch TV go grab a bite
See a horror movie get petrifiedGonna dye your hair use peroxide
Smoke a split get red eye
Hitler wanted to commit genocide
To the allied foes he notified
Went to Poland, the place he occupied
They all had a war and millions diedJerry Lee Lewis had a child bride
Only thirteen but he said he's justifiedClint Eastwood starred on Raw Hide
Now he lives in California off a mountain sideMaking love you got to be satisfied
Make a mistake you got to be rectified
Jesus Christ got crucified
So the Empire Rome could get gratifiedThese are the things that drive me crazy
(Crazy, crazy, crazy)
These are the things that make me bad
(Make me bad)
(Crazy)From the dump store I can see,
To the dump society
And that's bad
So badAs diverse as it could be
It's still cold and empty
And that's bad

So badClose the floor
 That's the score
 You don't like it
 There's the door
 And that's bad
 So badAttitudes of some would say
 I got money, I'm okay
 And that's bad
 So badThese are the things that drive me crazy
 (Crazy, crazy, crazy)
 These are the things that make me bad
 (Bad)
 (Crazy)Yeah, yeah
 Yeah, yeah
 Do it, do it, do itGot to modify your wheels if you want a lower ride
 On the windscreen says tax appliedPlay your music loud with an amplifier
 Eat selection bonafideHawaii 50 does it on the side
 Gonna slap a victim, get your bullet firedSome people like to eat Kentucky Fried
 Others like a Big Mac and French FriesNation's economy's on a downward slide
 On the best course of action no one can decideCompany cheques got to be verified
 Old people got no money but they got their prideCutting wheels is ironside
 East, sleep, work, cheat, nine to fiveReagan won in a landslide
 Which brings us back to Raw Hide
 (Raw Hide)These are the things that drive me crazy
 (Crazy, crazy, crazy)
 These are the things that make me bad
 (Make me bad)
 (Crazy, crazy)
 (Go ahead London)(Crazy, crazy)These are the things that drive me crazy
 (Crazy, crazy, crazy)This is so f@!#ing bad
