

Fool Again

Westlife

Baby
I know the story
I've seen the picture
It's written all over your face
Tell me
What's the secret That you've been hiding
Who's gonna take my place
I should've seen it coming
I should have read the signs
Anyway
I guess it's over
Can't believe that I'm the fool again
I thought this love would never end
How was I to know
You never told me
Can't believe that I'm the fool again
And I who thought you were my friend
How was I to know
You never told me
Baby
You should've called me
When you were lonely
When you needed me to be there
Sadly, you never gave me
Two many chances To show how much I care
I should've seen it coming
I should have read the signs
Anyway... (Anyway)
I guess it's over
Can't believe that I'm the fool again
I thought this love would never end
How was I to know
You never told me
Can't believe that I'm the fool again And I who thought you were my friend
How was I to know You never told me
About the pain and the tears
Uhuh, uhh.
If I could, I would
Turn back the time Uh, yeah
I should've seen it coming
I should have read the signs
Anyway... (Anyway)

I guess it's over
Can't believe that I'm the fool again
I thought this love would never end
How was I to know
You never told me
Can't believe that I'm the fool again
And I who thought you were my friend
How was I to know
You never told me
Can't believe that I'm the fool again
I thought this love would never end
How was I to know
You never told me
Can't believe that I'm the fool again
