

# You Save Me

[Kenny Chesney](#)

Every now and then I get a little lost  
My strings all get tangled, my wires all get crossed  
Every now and then I'm right up on the edge  
Dangling my toes out over the ledge  
I just thank God you're here 'Cause when I'm a bullet shot out of a gun  
'Cause when I'm a firecracker comin' undone  
Or when I'm a fugitive ready to run, all wild-eyed and crazy  
No matter where my reckless soul takes me, baby you save me  
It's hard lovin' a man that's got a gypsy soul  
I don't know how you do it, I'm not sure how you know  
The perfect thing to say to save me from myself  
You're the angel that believes in me like nobody else  
And I thank God you do 'Cause when I'm a bullet shot out of a gun  
When I'm a firecracker comin' undone  
When I'm a fugitive ready to run, all wild-eyed and crazy  
No matter where my reckless soul takes me, baby you save me I know I don't tell you nearly  
enough  
But I couldn't live one day without your love When I'm a ship tossed around on the waves  
Up on a high wire that's ready to break  
When I've had just about all I can take  
Baby you, baby you save me  
When I'm a bullet shot out of a gun  
When I'm a firecracker comin' undone  
When I'm a fugitive ready to run, all wild-eyed and crazy  
No matter where my reckless soul takes me, baby you save me
