

Missing You

Boney James

I've been, I've been
I've been missing you
I can't help it
I've been missing you
I've been, I've been
I've been missing you
I can't help it
I've been missing you I've been, I've been
I've been missing you
I can't help it
I've been missing you
I've been, I've been
I've been missing you
I can't help it
I've been missing you
