If You Go Away

New Kids On the Block

Girl, I just can't live without you
I know I hurt you
That's the last thing I meant to do
Sometimes I can be careless and blind
Can you forgive the fool that I've been?You know I love you
You're the one thing I have that's true
My life used to be nothing to me
I never want to feel that againIf you go away girl
You're taking my heart with you

If you go away girl
You'll be breaking my heart in two
If you only stay girl
I promise you the world

So please don't ever go away

You know I need you

I'm so sorry that I made you cry You are everything good in my life

Your tears have finally opened my eyesIf you go away girl

You're taking my heart with you

If you go away girl

You'll be breaking my heart in two

If you only stay girl

I promise you the world

So please don't ever go awayI was so wrong to ever look at another baby Even the strongest man can stumble and fall

And I'll do anything for you

Anything to be in your arms again

Baby don't let this be the end

If you go away girl

You're taking my heart with you

If you go away girl

You'll be breaking my heart in two

If you only stay girl

I promise you the world

So please don't ever go away
