

Rule the World

Walk Off the Earth

I say I rule the world Don't cloud my vision
I'm telling you not today
Cause I'm seein straight
Made my decision
Made it through the shades of Grey
Made it my own way
I materialise the feeling
To carry on, to carry on
I wish I would say I'm dreaming I carry on, I carry on They say no way-oh, I say I rule the world
Ain't afraid of the walls, I'mma break 'em down
They stay the same, while I'm feeling high as a bird
Ain't afraid of the ground, I'mma stay up
I say yeah yeah yeah, they say no no no
They say slow slow slow, I say go go go
They say no way-oh, I say to rule the world
I say I rule the world Ohhh (and so on...)
I've chased delusion
Then I watched it fade to black
Follow me off-track
Found revolution
Found it in a simple fact
I ain't coming back I materialise the feeling
To carry on, to carry on.
I know some will say I'm dreaming But I carry on, I carry on
The say no way-oh, I say I rule the world
Ain't afraid of the walls, I'mma break 'em down
They stay the same while, I'm feeling high as a bird
Ain't afraid of the ground, I'mma stay up!
I say yeah yeah yeah, they say no no no
They say slow slow slow, I say go go go
They say no way, and I say I rule the world I say I rule the world
OOOOH... (and so on)
I say I rule the world
(Trumpets)
They say no way-oh, I say I rule the world
Ain't afraid of the walls, I'mma break em down
They stay the same while, I'm feeling high as a bird
Ain't afraid of the ground, I'mma stay up!
I say yeah yeah yeah, they say no no no
They say slow slow slow, I say go go go
They say no way-oh, I say I rule the world
I say I rule the world

Oh...
I say I rule the world
I say I rule the world
I say I rule the world
