Rule the World

Walk Off the Earth

I say I rule the worldDon't cloud my vision

I'm telling you not today

Cause I'm seein straight

Made my decision

Made it through the shades of Grey

Made it my own way

I materialise the feeling

To carry on, to carry on

I wish I would say I'm dreamingI carry on, I carry on They say no way-oh, I say I rule the world

Ain't afraid of the walls, I'mma break 'em down

They stay the same, while I'm feeling high as a bird

Ain't afraid of the ground, I'mma stay up

I say yeah yeah, they say no no no

They say slow slow, I say go go go

They say no way-oh, I say to rule the world

I say I rule the worldOhhh (and so on...)

I've chased delusion

Then I watched it fade to black

Follow me off-track

Found revolution

Found it in a simple fact

I ain't coming backI materialise the feeling

To carry on, to carry on.

I know some will say I'm dreamingBut I carry on, I carry on

The say no way-oh, I say I rule the world

Ain't afraid of the walls, I'mma break 'em down

They stay the same while, I'm feeling high as a bird

Ain't afraid of the ground, I'mma stay up!

I say yeah yeah, they say no no no

They say slow slow, I say go go go

They say no way, and I say I rule the worldI say I rule the world

OOOOH... (and so on)

I say I rule the world

(Trumpets)

They say no way-oh, I say I rule the world

Ain't afraid of the walls, I'mma break em down

They stay the same while, I'm feeling high as a bird

Ain't afraid of the ground, I'mma stay up!

I say yeah yeah, they say no no no

They say slow slow, I say go go go

They say no way-oh, I say I rule the world

I say I rule the world

Oh...

I say I rule the world I say I rule the world I say I rule the world
