

Early Alone

DTCV

Early alone
I am tongue tied
The air is gold
Lately I am on
The fun side
I like it And we shine
Yeah we shine
So take the road too far
The only one that will break you
The only one Can you see now?
Can you see now?
Early alone
I am tongue tied
The air is gold
Lately I am on
The fun side
I like it
And we shine
Yeah we shine
