## Tommy Genesis

I'm coming in  
All of this sin  
You know i've been  
Talking a lot  
Meet me outside  
Am I a side  
Wait for the ride  
I need a shot  
I pretend I don't see you texting  
you pretend you don't see me whiling  
I get mad at you when you call back  
You get mad at me when I look sad  
I don't think you are very lucky  
I am so lucky  
I am so lucky  
I am so lucky  
I am so lucky  
I am so lucky  
So Lucky  
So Lucky  
So Lucky  
So Lucky  
So Lucky  
So Lucky  
So Lucky  
So Lucky  
I made you up  
I'm coming up  
Look at my luck  
Look at me fuck  
Look at my face  
Only thing more pretty is my pussy  
Look at my face  
Only thing more pretty is my pussy  
it gon it gon it gon it gon  
it gon be ok  
it gon it gon it gon it gon  
it gon be ok  
it gon it gon it gon it gon  
it gon be ok  
it gon it gon it gon it gon

I pretend I don't see you texting  
you pretend you don't see me whiling  
I get mad at you when you call back  
You get mad at me when I look sad  
I don't think you are very lucky

I am so lucky

They call me lucky

I see what you saw in me

They call me lucky

They call me lucky

They call me lucky

I know that you noticed me

I know that you noticed me

I pretend I don't see you texting  
you pretend you don't see me whiling  
I get mad at you when you call back  
You get mad at me when I look sad  
I don't think you are very lucky

I am so lucky

So Lucky
