

# Reflektor

## Arcade Fire

Trapped in a prism, in a prism of light  
Alone in the darkness, darkness of white  
We fell in love, alone on a stage  
In the reflective age  
Entre la nuit, la nuit et l'aurore.  
Entre les royaumes, des vivants et des morts.  
If this is heaven  
I don't know what it's for  
If I can't find you there  
I don't care  
I thought I found a way to enter  
It's just a Reflektor (just a Reflektor)  
I thought I found the connector  
It's just a Reflektor (just a Reflektor)  
Now, the signals we send, are deflected again  
We're still connected, but are we even friends?  
We fell in love when I was nineteen  
And I was staring at a screen  
Entre la nuit, la nuit et l'aurore.  
Entre les voyants, les vivants et les morts.  
If this is heaven  
I need something more  
Just a place to be alone  
Cause you're my home  
I thought I found a way to enter  
It's just a Reflektor (just a Reflektor)  
I thought I found the connector  
It's just a Reflektor (just a Reflektor)  
Just a Reflektor  
It's just a Reflektor (just a Reflektor)  
It's just a Reflektor (just a Reflektor)  
It's just a Reflektor (just a Reflektor)  
Just a Reflektor  
Just a Reflektor (just a Reflektor)  
Just a Reflektor (just a Reflektor)  
Just a Reflektor  
Just a Reflektor  
Just a Reflektor (just a Reflektor)  
Just a Reflektor (just a Reflektor)  
It's just a reflection  
Of a reflection  
Of a reflection  
Of a reflection  
Will I see you on the other side?  
We all got things to hide  
It's just a reflection

Of a reflection  
Of a reflection  
Of a reflection  
Of a reflection

Will I see you on the other side? We all got things to hide Our song escapes, on neon silver discs

Our love is plastic, we'll break it to bits

I want to break free, but will they break me?

Down, down, down Don't mess around

I thought I found a way to enter

It's just a Reflektor (just a Reflektor)

I thought I found the connector It's just a Reflektor (just a Reflektor)

It's just a Reflektor

It's just a Reflektor (just a Reflektor)

It's just a Reflektor (just a Reflektor)

It's just a Reflektor (just a Reflektor)

Thought you would bring me to the resurrector

Turns out it was just a Reflektor It's just a Reflektor (just a Reflektor)

Thought you would bring me to the resurrector

Turns out it was just a Reflektor It's just a Reflektor (just a Reflektor)

Thought you would bring me to the resurrector

Turns out it was just a Reflektor

It's just a Reflektor (just a Reflektor)

It's just a Reflektor (just a Reflektor)

Just a Reflektor

Just a Reflektor

Just a Reflektor

Will I see you on the other side?

Just a Reflektor

Will I see you on the other side?

We all got things to hide

Just a Reflektor

Will I see you on the other side?
