

Landslide

Dixie Chicks

I took my love
And I took it down
I climbed a mountain
And I turned around
And I saw my reflection
in a snow covered hill
Well the Landslide brought me down Oh mirror in the sky what is love
Can a child within my heart rise above
Can I sail through the changing ocean tides
Can I handle the seasons of my life
Woah-ohhh...
woah-oh... woah-ohh... woah-ohh Well, I've been afraid of changin'
'Cause I built my life around you
But time makes you bolder
Children get older
I'm getting older too
Well... Well, I've been afraid of changin' 'Cause I build my life around you
But time makes you bolder
Children get older
I'm getting older too
Well, I'm getting older too
So, take this love and take it down
Yeah, and if you climb a Mountain and ya turn around
And If you see my reflection in the snow covered hills
Well the landslide brought me down
And If you see my reflection in the snow covered hills
Well maybe... Well maybe... Well maybe
The Landslide will bring you down.
