

# Ultima (Feat. Bone Thugs-N-Harmony)

## PhaseOne & Bone Thugs-N-Harmony

[Intro: Krayzie Bone]

Fuck that, fuck that, fuck that

Fuck that, fuck that, fuck that

Fuck that, fuck that, fuck that

Fuck that, fuck that, fuck that

Fuck that, fuck that, fuck that [Verse 1: Krayzie Bone]

These niggas really don't know grindin'

These niggas really don't know what time it is

I'm finna learn the slackers a lil' lesson

So tell them that my class is in session

So line 'em in

Shady game so sheisty, style so crazy

Niggas don't like me just because I speak the truth

But they don't really want me raisin' the youth

They'd rather see 'em eat garbage (Garbage)

[Bridge: Krayzie Bone]

In life, I'm not forty years old, I'm forty years strong in this shit

I'm movin' like a grown ass man

Leave 'em down with a long ass hand to keep 'em back

Never let lames get too close to me

Sucka friend, this how it's supposed to be

Illuminati won't be moldin' me 'cause I expose the bullshit

Fuck that (Fuck that, fuck that, fuck that) [Break: Krayzie Bone]

Fuck that, fuck that, fuck that

Fuck that, fuck that, fuck that

Fuck that, fuck that, fuck that

Fuck that, fuck that, fuck that

Fuck that, fuck that, fuck that

Fuck that, fuck that, fuck that

Fuck that, fuck that, fuck that

Class is in session so fuck that, fuck that

Fuck that, fuck that, fuck that

Fuck that, fuck that, fuck that

[Verse 2: Krayzie Bone]

Knowledge is nonexistent, materialistic

Political, egotistic, so I missed it

I'd rather be the nigga doin' my own thing

Instead of followin' them niggas doin' the wrong thing

I keep the ninas outta my business and stay way from [?]

Because it's all about winnin', no losses

Gotta be the boss, mane

A real boss know what time and what it cost, mane

Y'all lames stop playin'[Bridge: Krayzie Bone]
