

My Immortal

Evanescence

I'm so tired of being here
Suppressed by all my childish fears
And if you have to leave
I wish that you would just leave
Your presence still lingers here
And it won't leave me alone These wounds won't seem to heal
This pain is just too real
There's just too much that time can not erase When you cried, I'd wipe away all of your tears
When you'd scream, I'd fight away all of your fears
And I held your hand through all of these years
But you still have all of me You used to captivate me by your resonating light
Now I'm bound by the life you left behind
Your face it haunts my once pleasant dreams
Your voice it chased away all the sanity in me
These wounds won't seem to heal
This pain is just too real
There's just too much that time can not erase
When you cried, I'd wipe away all of your tears
When you'd scream, I'd fight away all of your fears
And I held your hand through all of these years
But you still have all of me
I've tried so hard to tell myself that you're gone
But though you're still with me
I've been alone all along
When you cried, I'd wipe away all of your tears
When you'd scream, I'd fight away all of your fears
I held your hand through all of these years
But you still have all of me
Me...
Me...
