## I'm Not Alone (deadmau5 Mix) [Bonus Track]

## **Calvin Harris**

Can you stay up for the weekend and blame God for looking too old Can you find all that you stand for has been replaced with mountains of gold You cannot dream yourself to notice to feel pain and swallow fear But can you stay up for the weekend for next yearGod I can't do this any more though I'll be laid down on the floor as many feet walk through the door I'm not aloneIf I see a light flashing could this mean that I'm coming home If I see a man waving does this mean that I'm not aloneIf I see a light flashing could this mean that I'm coming home If I see a man waving does this mean that I'm not alone no?If I see a light flashing could this mean that I'm coming home If I see a man waving does this mean that I'm not alone If I see a light flashing could this mean that I'm coming home If I see a man waving does this mean that I'm not alone Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
