ZieZie

My bro's trap for the money
Get busy in the bando
Chief Keif, Gang bang, that's gang though ay
Fine girl, fine girl, mamacita
Tell her "come come take a seat-a" She got a body I like that batty though
Tell back it up don't trip
She wanna tic toc if you got time
If you don't got time then take time
Slow whine when she's whining to the rhythm
Brown and peng like bueno
Batty jiggle jiggle like jello
Hello what's good baby where you from though?
I'm a dark skin nigga from Congo
Na lobaka Lingala soki o yoki te
Move a little French mon Cherie
En jouer en va pas
My bros trap for the money get busy in the bando
Chief keif gang bang that's gang though ay
Fine girl, fine girl, mamacita
Tell her come come take a seat-a My bro's trap for the money, get busy in the bando
Chief Keef, gang bang, that's gang though ay

Chief Keef, gang bang, that's gang though ay

Fine girl, fine girl mamacita
Tell her "come, come take a seat" Got a thousand real niggas in my circle
Need a pretty lady, not a thotty baby
Got one eye on your chick, call me Fetty Wap
Yeah, now I got her screaming, yeah baby
Good thousand real niggas in my circle
Need a pretty lady, not a thotty baby
One eye on your chick, call me Fetty Wap
Yeah, now I got her screaming, yeah baby My bro's trap for the money, get busy in the bando
Chief Keef, gang bang, that's gang though ay
Fine girl, fine girl mamacita
Tell her "come, come take a seat-a"

Chief Keef, gang bang, that's gang though ay
Fine girl, fine girl mamacita
Tell her "come, come take a seat"
