

# Everybody Hurts

Avril Lavigne

Don't know, Don't know if I can do this on my own  
Why do you have to leave, me  
It seems, I'm losing something deep inside of me  
Hold on, onto me Now I see  
Now I see Everybody hurts some days  
Its okay to be afraid  
Everybody hurts  
Everybody screams  
Everybody feels this way  
And its okay  
La di da di da  
Its okay  
...  
It feels like nothing really matters anymore  
When you're gone  
I can't breathe  
And I know you never meant to make me feel this way This can't be happening  
Now I see (now I see) Now I see  
Everybody hurts some days  
Its okay to be afraid  
Everybody hurts  
Everybody screams  
Everybody feels this way  
And its okay  
La di da di da  
Its okay  
La la la la la  
So many questions so much on my mind  
So many answers I can't find  
I wish I could turn back the time I want to...  
Everybody hurts some days (some days)  
Everybody hurts some days (some days)  
Everybody hurts some days (some days)  
Its okay to be afraid (afraid)  
...  
Everybody hurts  
Everybody screams  
Everybody feels this way  
And its okay La di da di da  
Its okay La la la la la  
Its okay  
Everybody hurts some days

Its okay to be afraid  
Everybody hurts some day (yeah we all feel pain)

...

Everybody feels this way but it'll be okay Can someone take me away to a better place  
Everybody feels this way

Its okay

...

La di da di da

Its okay

La la la la la

Its okay.

La di da di da

Its okay.

La la la la la

Its okay.
