

Everybody Hurts

Avril Lavigne

Don't know, Don't know if I can do this on my own
Why do you have to leave, me
It seems, I'm losing something deep inside of me
Hold on, onto me Now I see
Now I see Everybody hurts some days
Its okay to be afraid
Everybody hurts
Everybody screams
Everybody feels this way
And its okay
La di da di da
Its okay
...
It feels like nothing really matters anymore
When you're gone
I can't breathe
And I know you never meant to make me feel this way This can't be happening
Now I see (now I see) Now I see
Everybody hurts some days
Its okay to be afraid
Everybody hurts
Everybody screams
Everybody feels this way
And its okay
La di da di da
Its okay
La la la la la
So many questions so much on my mind
So many answers I can't find
I wish I could turn back the time I want to...
Everybody hurts some days (some days)
Everybody hurts some days (some days)
Everybody hurts some days (some days)
Its okay to be afraid (afraid)
...
Everybody hurts
Everybody screams
Everybody feels this way
And its okay La di da di da
Its okay La la la la la
Its okay
Everybody hurts some days

Its okay to be afraid
Everybody hurts some day (yeah we all feel pain)

...

Everybody feels this way but it'll be okay Can someone take me away to a better place

Everybody feels this way

Its okay

...

La di da di da

Its okay

La la la la la

Its okay.

La di da di da

Its okay.

La la la la la

Its okay.
