Celebrate (feat. Pharrell Williams)

MIKA

I want the whole world to celebrate (Lets' go!)I wanna come home

To the only place I know

Where the trees I planted grow

I wanna come homeOnce I get up I feel better and I pull myself together

I remember those two letters, it will be OK

Everyone says now or never, I say only if it's better

Be a night like this forever, but we know betterI want the whole world to celebrate

I want the whole world to celebrate

I want the whole world to celebrate

I want the whole world to celebrate

I'll be just fine

When I see you at the finish line

Doesn't matter if I take my time

I'm coming homeOnce I get up I feel better and I pull myself together

I remember those two letters, it will be OK

Everyone says now or never, I say only if it's better

Be a night like this forever, but we know betterI want the whole world to celebrate

I want the whole world to celebrate

I want the whole world to celebrate

I want the whole world to celebrateI'm not mad at you at all

But, I want the whole world to celebrate, yeah, mmhRight about now it's time for everybody to stand up, stand up

And have fun, fun, fun, 'cause we just begunI want the whole world to celebrate (Lets' go!)

Once I get up I feel better and I pull myself together

I remember those two letters, it will be OK

Everyone says now or never, I say only if it's better

Be a night like this foreverI wanna go home (I want the whole world to celebrate)

I wanna go home (I want the whole world to celebrate)

I wanna go home (I want the whole world to celebrate)

I wanna go home (I want the whole world to celebrate) To celebrate

I'll get the whole world to celebrate

I want the whole world to celebrate

I want the whole world to celebrate
