

I Will Love Again

Lara Fabian

Did I ever tell you how you live in me?
Every waking moment, even in my dreams,
And if all this talk is crazy
And you don't know what I mean
Does it really matter just as long as I believe?
I will love again
Though my heart is breaking I will love again
Stronger than before, I will love again
Even if it takes a lifetime to get over you
Heaven only knows, I will love again
People never tell you the way they truly feel
I would die for you gladly, if I knew it was for real
So if all this talk sounds crazy
And the words don't come out right
Does it really matter if it gets me through this night?
I will love again
Though my heart is breaking I will love again
Stronger than before, I will love again
Even if it takes a lifetime to get over you
Heaven only knows, I will love again
If I'm true to myself
Nobody else can take the place of you
But I've got to move on
Tell me what else can I do?
I will love again
Though my heart is breaking I will love again
Stronger than before, I will love again
Even if it takes a lifetime to get over you
Heaven only knows, I will love again
I will love again
One day I know, I will love again
You can't stop me from loving again
Breathing again, feeling again
I know, one day, I'll love again
