

# I Will Love Again

Lara Fabian

Did I ever tell you how you live in me?  
Every waking moment, even in my dreams,  
And if all this talk is crazy  
And you don't know what I mean  
Does it really matter just as long as I believe?  
I will love again  
Though my heart is breaking I will love again  
Stronger than before, I will love again  
Even if it takes a lifetime to get over you  
Heaven only knows, I will love again  
People never tell you the way they truly feel  
I would die for you gladly, if I knew it was for real  
So if all this talk sounds crazy  
And the words don't come out right  
Does it really matter if it gets me through this night?  
I will love again  
Though my heart is breaking I will love again  
Stronger than before, I will love again  
Even if it takes a lifetime to get over you  
Heaven only knows, I will love again  
If I'm true to myself  
Nobody else can take the place of you  
But I've got to move on  
Tell me what else can I do?  
I will love again  
Though my heart is breaking I will love again  
Stronger than before, I will love again  
Even if it takes a lifetime to get over you  
Heaven only knows, I will love again  
I will love again  
One day I know, I will love again  
You can't stop me from loving again  
Breathing again, feeling again  
I know, one day, I'll love again
