

Cemetery Drive

My Chemical Romance

This night
Walk the dead
In a solitary style and crash the cemetery gates In the dress your husband hates
Way down
Mark the grave Where the searchlights find us drinking by the mausoleum door
And they found you on the bathroom floor I miss you
I miss you so far
And the collision of your kiss that made it so hard
Back home
Off the run
Singing songs that make you slit your wrists
It isn't that much fun
Staring down a loaded gun
So I won't stop dying Won't stop lying
If you want I'll keep on crying
Did you get what you deserve?
Is this what you always want me for?
I miss you
I miss you so far
And the collision of your kiss that made it so hard
Way down Way down
Way down Way down
Way down
Way down
Way down
Way down
I miss you
I miss you so far
And the collision of your kiss that made it so hard
And well I miss you
And well I miss you so far
And the collision of your kiss that made it so hard
That made it so hard
Way down
Way down
Way down
Way down
Way down
Way down
Way down
Way down

Way down
