

If You Say So

Lea Michele

It's been seven whole days, seven whole days
Since you paralyzed me
Seven whole days, seven whole days
Since you lost your fight
And I can't get the last words that you said
Can't get those words out of my head
Seven whole days, seven whole days and four words
And I can't get away from the burning pain
I light you wake
And the fallen hero haunts my thoughts
How could you leave me this way?
It's been seven whole days without your embrace
I wanna see your face
I got some things to say
Was just a week ago
You said, "I love you girl"
I said, "I love you more"
Then a breath, a pause, you said, if you say so
If you say so
if you say so
It's been seven whole days, seven whole days
Since I heard the phone ring
Seven whole days, seven whole days
Since I heard your voice
And I can't get the last words that you said
Can't get those words out of my head
It's been seven whole days, seven whole days of pure hurt
And I can't get away from the burning pain
I light you wake
And the fallen hero haunts my thoughts
How could you leave me this way?
It's been seven whole days without your embrace
I wanna see your face
I got some things to say
Was just a week ago
You said, "I love you girl"
I said, "I love you more"
Then a breath, a pause, you said, if you say so
If you say so
If you say so
If you say so
I can't believe it's true
I keep looking for you
I check my phone and wait to hear from you
In a crowded room
The joker is so cruel
And now I'll never know if all I've been told is just a lie so false
I thought we would grow old

Mirrors in the smoke
Left me here to choke
It's been seven whole days without your embrace
I wanna see your face
I got some things to say
Was just a week ago
You said, "I love you girl"
I said, "I love you more"
Then a breath, a pause, you said, if you say so
If you say so
If you say so
If you say so
