

All on Me (feat. Andreas Moe)

Armin van Buuren & Brennan Heart

You, don't you dare let you
I'm right here, you know, I mean that
Don't even think the thought If it's real or not, I've seen it When your heart's been open to
someone who's broken
Let me take some weight off of you
When you're tired of livin' like you're not forgiven
Let me share that burden with you
Oh-oh-oh-oh You think you're losing everything and you're down too deep
Put it all on me (All on me)
I'll do anything to set you free, I'll pay your fee
Oh, put it all on me
Oh-oh-oh-oh
Oh-oh-oh-oh
All on me
All on me
Oh-oh-oh-oh
All on me
All on me Filled, wear them on your sleeve
So they all can see you did it
Dreams, yeah, they made you bleed
But you never stopped believing When your heart's been open to someone who's broken
Let me take some weight off of you
When you're tired of livin' like you're not forgiven
Let me share that burden with you
Oh-oh-oh-oh
You think you're losing everything and you're down too deep
Put it all on me (All on me)
I'll do anything to set you free, I'll pay your fee
Oh, put it all on me Oh-oh-oh-oh
Oh-oh-oh-oh
All on me
All on me
Oh-oh-oh-oh
All on me
All on me Oh-oh-oh-oh
All on me
All on me
Oh-oh-oh-oh
All on me
All on me
