

# Nod Ya Head (The Remix)

Will Smith

We come to make it hot for ya, roof!When we get down with the black suits, baby  
Just lettin' loose up in here, go crazy  
The way we bouncin' and shakin', I know you feelin' me  
So get up out ya seats, come on and nod ya head with me  
When we get down with the black suits, baby  
Just lettin' loose up in here, go crazy  
The way we bouncin' and shakin', I know you feelin' me  
So get up out ya seats, come on and nod ya head with me  
I am the man in black, I'm back  
Breakin' the back of the random attackers  
So can the flack  
Yo, I'm dangerous, I've been trained to bust  
When the strangerous tries to endanger us  
Praise me y'all, don't nothin' phase me y'all  
When they see me, they gaze be all crazy y'all  
They say I'm a myth, trust me if somebody rips  
Out of the depths of your imagination  
Appears Will Smith  
Black suits, the black shades, black shoes  
Black tie with the black attitude  
New style, black Ray-Bans, I'm stunnin' man  
New hotness, pitch black, six-hundred man  
Don't you understand  
What you thought, I wouldn't come again  
Leave you hangin' without bringin' you the fun again  
Tanglin' with the alien scum again  
Mind your manners or the black suits runnin' in  
Nod ya head!When we get down with the black suits, baby  
Just lettin' loose up in here, go crazy  
The way we bouncin' and shakin', I know you feelin' me  
So get up out ya seats, come on and nod ya head with me  
When we get down with the black suits, baby  
Just lettin' loose up in here, go crazy  
The way we bouncin' and shakin', I know you feelin' me  
So get up out ya seats, come on and nod ya head with meYo check it!It's this chick, right,  
Serlena, makin' me sick right  
Earth is worthless to her, she be trippin' like  
Threatenin' me and my mens, tryin' to get the light  
Thinkin' she be superwoman, or black kryptonite  
Finishin' whatever you start, son  
The best lookin' crime fighter since myself in part one  
Better act right, play nice, and sing along

Cause K's back, and he hype, what, bring it on  
We come to make it hot for ya, roof  
Come to throw down the block for ya, roof  
Come to crack the street for ya, roof  
Blast the windows out ya Jeep for ya, roof  
We don't wanna hear a peep baby, roof  
Gotsta recognize the heat baby, roof  
It's the M.I.B. baby,  
Got somethin' for all eyes to see, babyNod ya head!When we get down with the black suits,

So get up out ya seats, come on and nod ya head with meCheck it, check it, yo  
Case closed, erase my foes  
Chased away by the black suit, shades, and clothes  
We above the law, Feds can't touch me y'all  
Highly-ranked, black blank I.D. cards  
So disregard what you think you saw  
Put that phone down now, who you think you callin', huh  
One little flash then, goodnight dear  
Just open your eyes honey, look right here  
Thank you, mission completed, I mean it  
We won't be defeated  
You seen it, we did it, even with weapons depleted  
Galaxy defenders, don't act like you don't remember  
Takin' contenders, and provin' they only pretenders  
Ladies and gentlemen, boys and girls  
The Men In Black is back to protect the world  
When the enemy is near, the elite is here  
So have no fear  
Just let me see ya nod ya headWhen we get down with the black suits, baby  
Just let loose up in here, go crazy  
The way we bouncin' and shakin', I know you feelin' me  
So get up out ya seats, come on and nod ya head with me  
When we get down with the black suits, baby  
Just let loose up in here, go crazy  
The way we bouncin' and shakin', I know you feelin' me  
So get up out ya seats, come on and nod ya head with meWe come to make it hot for ya, roof  
Come to throw down the block for ya, roof  
Come to crack the street for ya, roof  
Blast the windows out the Jeep for ya, roof  
We don't wanna hear a peep baby, roof

Gotsta recognize the heat baby, roof  
It's the M.I.B., baby  
Got somethin' for all eyes to see, baby
