## **How to Love**

## Lil Wayne

Cut the music up A lil' louder

YeahYou had a lot of crooks tryna steal your heart
Never really had luck, couldn't never figure out
How to love, how to loveYou had a lot of moments that didn't last forever
Now you in the corner tryna put it together

How to love, how to love

For a second you were here, now you over there It's hard not to stare, the way you moving your body Like you never had a love, never had love

When you was just a young'un, your looks were so precious

But now your grown up, so fly it's like a blessing

But you can't have a man look at you for 5 seconds

Without you being insecure

You never credit yourself so when you got older It's seems like you came back 10 times over

Now you're sitting here in this damn corner

Looking through all your thoughts and looking over your shoulderSee you had a lot of crooks tryna steal your heart

Never really had luck, couldn't never figure out

How to love, how to loveSee you had a lot of moments that didn't last forever

Now you in this corner tryna put it together

How to love, how to loveFor a second you were here, now you over there It's hard not to stare, the way you moving your body

Like you never had a love, had a love

Ooohh, you had a lot of dreams that transform to visions

The fact that you saw the world affected all your decisions

But it wasn't your fault, wasn't in your intentions

To be the one here talking to me, be the one listening

But I admire your poppin' bottles and dippin'

Just as much as you admire bartending and strippin'

Baby, so don't be mad, nobody else trippin'

You see a lot of crooks and the crooks still crookYou see you had a lot of crooks tryna steal your heart

Never really had luck, couldn't never figure out

How to love, how to loveSee you had a lot of moments that didn't last forever

Now you in this corner tryna put it together

How to love, how to loveOoohh, see I just want you to know

That you deserve the best You're beautiful You're beautiful Yeahh And I want you to know
You're far from the usual
Far from the usualYou see you had a lot of crooks tryna steal your heart
Never really had luck, couldn't never figure out
How to love, how to love
See you had a lot of moments that didn't last forever
Now you in this corner tryna put it together
How to love, how to love
See you had a lot of crooks tryna steal your heart
Never really had luck, couldn't never figure out
How to love, how to love
Yeahh, see you had a lot of moments that didn't last forever
Now you in this corner tryna put it together
How to love, how to love
