

Close to the Edge

Bronski Beat

Hundreds & Thousands (Somerville/Steinbachek/Bronski)

Ooooh.Close to the edge, close to the edge

And I won't fall over, won't fall over no way

Close to the edge, close to the edge

And I won't fall over, won't fall over no wayOoooh.Don't stand and watch me, it's a long long way down

Don't stand and watch me, it's a long long way down, yeah

Watch me fall, would you catch me as I fell?

Watch me fall, would you catch me as I fell?Ooooh.Ooooh. Save me save me.

Ooooh. Save me save me.

Ooooh. Save me save me.

Ooooh. Save me save me.

It's a long way down. It's a long way down.

It's a long way down. It's a long way down.

It's a long way down. It's a long way down.

Close to the edge, but I won't fall off

Close to the edge, but I won't fall off
