

# It's Only (feat. Zyra)

## ODESZA

I heard the news today;  
That you're not mine to keep.  
Don't struggle too much now  
While I kill you in your sleep. What is lust if it's not being by yourself?  
I won't be gentle to the body on the shelf It's only water  
It's only fire  
It's only love It's only slaughter  
We're only liars  
It's only blood  
They're only thoughts that I'm having;  
Thoughts safe within my head.  
You're only crying  
You're only dying  
You're only red. I heard the news today,  
That you weren't mine to save  
I hope that you're comfortable  
In the quiet lasting grave What is lust if it's not being by yourself?  
I won't be gentle to the body on the shelf. It's only water  
It's only fire  
It's only love It's only slaughter  
We're only liars  
It's only blood  
They're only thoughts that I'm having;  
Thoughts safe within my head.  
You're only crying  
You're only dying  
You're only dead It's only water  
It's only fire  
It's only love It's only slaughter  
We're only liars  
It's only blood They're only thoughts that I'm having;  
Thoughts safe within my head.  
You're only crying  
You're only dying  
You're only dead
